There was a large amount of interest in both Jr. High Science & Geo/LA. If there are enough students, I will run two sections. Please indicate below the schedule that works for your family should I be able to open another section.

Either Tuesday or Wednesday classes will work for us.

Only Tuesday classes work for us.

Only Wednesday classes work for us.

Chemistry - Metrics Workshop Dates: please check all of the dates that work for your student.

- Friday, August 19th afternoon
- Monday, August 22, afternoon
- Tuesday, August 23, morning
- Tuesday, August 23, afternoon
- Wednesday, August 24, morning
- Wednesday, August 24, afternoon

I have read and understand the RaeAnne Education Center refund policies as listed in the Handbook under General Guidelines.
